4 **SECTION 2.**

5 Said chapter is further amended by striking Code Section 48-8-63, relating to payment of
6 sales and use tax by contractors furnishing tangible personal property and services, and
7 inserting in its place a new Code Section 48-8-63 to read as follows:

8 "48-8-63.

9 (a) As used in this Code section, the term 'nonresident subcontractor' means a person who
10 does not have a bona fide place of business in Georgia through the maintaining of a
11 permanent domicile or business facility engaged in contracting real property work and who
12 contracts with a prime or general contractor to perform all or any part of the contract of the
13 prime or general contractor or who contracts with a subcontractor who has contracted to
14 perform any part of the contract entered into by the prime or general contractor.

15 ~~(a)~~(b) Each person who orally, in writing, or by purchase order contracts to furnish
16 tangible personal property and to perform services under the contract within this state shall
17 be deemed to be the consumer of the tangible personal property and shall pay the sales tax
18 imposed by this article at the time of the purchase. Any person so contracting who fails to
19 pay the sales tax at the time of the purchase or at the time the sale is consummated outside
20 the limits of this state shall be liable for the payment of the sales or use tax. This Code
21 section shall not relieve the dealer who made the sale from such dealer's liability to collect
22 and pay the tax on purchases by a contractor.

23 ~~(b)~~(c) Each person who contracts to perform services in this state and who is furnished
24 tangible personal property for use under the contract by the person, or such person's agent
25 or representative, for whom the contract is to be performed, when a sales or use tax has not
26 been paid to this state by the person supplying the tangible personal property, shall be
27 deemed to be the consumer of the tangible personal property so used and shall pay a use
28 tax based on the fair market value of the tangible personal property so used irrespective of
29 whether any right, title, or interest in the tangible personal property becomes vested in the
30 contractors.

31 ~~(c)~~(d) Each person who orally, in writing, or by purchase order contracts to perform any
32 service the principal part of which is the furnishing of machinery which will not be under
33 the exclusive control of the contractor shall be liable to collect a sales tax on the rental
34 value of the machinery so used. If labor and other charges are not separated from the rental

1 charge, the person so contracting shall be liable to collect a sales tax on the entire contract
2 price.

3 ~~(d)~~(e)(1) Any subcontractor who enters into a construction contract with a general or
4 prime contractor shall be liable under this article as a general or prime contractor. Any
5 general or prime contractor who enters into any construction contract or contracts with
6 any nonresident subcontractor, where the total amount of such contract or contracts
7 between such general or prime contractor and any nonresident subcontractors on any
8 given project equals or exceeds \$250,000.00 shall withhold up to 4 percent of the
9 payments due the nonresident subcontractor in satisfaction of any sales or use taxes owed
10 this state.

11 (2) The prime or general contractor shall withhold payments on all contracts that meet
12 the criteria specified in paragraph (1) of this subsection until the nonresident
13 subcontractor furnishes such prime or general contractor with a certificate issued by the
14 commissioner showing that all sales taxes accruing by reason of the contract between the
15 nonresident subcontractor and the general or prime contractor have been paid and
16 satisfied. If the prime or general contractor for any reason fails to withhold up to 4
17 percent of the payments due the nonresident subcontractor under their contract, such
18 prime or general contractor shall become liable for any sales or use taxes due or owed this
19 state by the nonresident subcontractor.

20 ~~(e)~~(f) Whenever a nonresident subcontractor holding a contract with a general or prime
21 contractor has posted with the commissioner either a good and valid bond with a surety
22 company authorized to do business in this state or legal securities in an amount of not less
23 than \$5,000.00 nor more than \$50,000.00, as determined by the commissioner, conditioned
24 that all sales and use taxes which may accrue to this state on account of the execution of
25 contracts that meet the criteria established in paragraph (1) of subsection (e) of this Code
26 section by nonresident subcontractors will be paid when due, no general or prime
27 contractor shall withhold any sums due the nonresident subcontractor under their contract
28 with respect to sales and use taxes.

29 ~~(f)~~(g) Nothing contained in this Code section shall be construed to impose any sales or use
30 tax with respect to the use of tangible personal property owned by the United States in the
31 performance of contracts with the United States when the property is not actually used up
32 and consumed in the performance of the contract. Tangible personal property incorporated
33 into real property construction which loses its identity as tangible personal property shall
34 be deemed to be used up and consumed within the meaning of this subsection.

35 ~~(g)~~(h)(1) Nothing contained in this Code section shall be construed to impose any sales
36 or use tax with respect to the use of tangible personal property owned by the State of

Georgia, the University System of Georgia, or any county, municipality, local board of education, or other political subdivision of this state in the performance of contracts with such entities when the property is not actually used up and consumed in the performance of the contract. Tangible personal property incorporated into real property construction which loses its identity as tangible personal property shall be deemed to be used up and consumed within the meaning of this subsection. Any governmental entity which furnishes tangible personal property to a contractor for incorporation into a construction, renovation, or repair project conducted pursuant to a contract with such governmental entity shall issue advance written notice to such contractor of the amount of tax owed for such tangible personal property. The failure of the governmental entity to issue such advance written notice to the contractor of such tax liability shall render such governmental entity liable for such tax.

(2) This subsection shall not apply with respect to the use of tangible personal property owned by the United States.

(i) The commissioner is authorized to prescribe forms and promulgate rules and regulations deemed necessary in order to administer and effectuate this Code section."

SECTION 3.

This Act shall become effective July 1, 2006.

SECTION 4.

All laws and parts of laws in conflict with this Act are repealed.
